TERMS OF BUSINESS

You must pay a deposit of £1200, 5 days before the funeral. Failure to do so will result in a delay to the funeral. This covers the payments we make on your behalf for example Doctors fees, cemetery, or cremation fees and such like. Where the total estimated account is deemed excessive, you may be asked for a larger deposit to cover these such costs. When an estimate is provided, we may not know the exact price of third-party charges however, we give you the best estimate of such charges. The actual amount of these charges will be detailed and shown in the final account.

The final balance must be paid 28 days after the funeral has taken place.

We reserve the right to add interest on all outstanding accounts at 2% per month on accounts that remain unpaid after the 28 days and any legal and court costs incurred due to non-payment.

If because of your circumstances, you must make a claim for assistance from the Department of Work and Pensions, please note that stringent rules apply as to the amount of help available. Please ask for help and guidance.
